BEGIN EXCAVATIONS FOR BISCUIT PLANT

Will Cost \$300,000 and Will Be Ready Next March.

Excavations have been begin for the bakery plant of the line Biscall company which will cost upward of \$190,000 when completed J J liven of the company who came to Memphissome time ago when hygotastions for the sife were completed, is again in the city completing other arrangements for the actual building operations. Head-quarters of the company are in Dinaha. Neb. However, with the completion of the new Memphis fictory, brindquarters will be moved to this city. Structural plans have been completed by the Harten Spider Weeb System Company, inc. of "Incage Architectural plans are being worked on now and are expected in the city shorts. The new building will be of reinforced concrete throughout, with a front of very light colours.

Amusements

Loew's Lyceum.

Phenomenal and sensational is the dancing offered by Max Fyrnk and the Maxine dancers, who headline the new bill that opened at Loew's Lycaun Sunday. It is a whirthwind act with five numbers that exe distinctive and well executed. The whole mayors much of the difficult Russian school. There are four girls all rather ulity lookers, and two men, whose pirouetting is markedly cleve.

There's an art to singing a song and an art to putting a song over. Hilly Tracey and Halsey Mohr demonstrated that yesterday. These two song writers authors of Marmin o Mine, have a nice assortment of material which closed with a Jailmune Blues' piece yet unpublished, but which has

Fast repartes is what carries Hair and Crystal in a skit they call "The Reporter." Totally foreign to anything in newspaper work, this act neverthelese is pleasing. Both are hard workers and went across big Sunday. High Johnston opens slowly with some bai tricks, but once his card stunis are underway he has the audience guessing and going. A little more pep would aid the nine-minute turn of the Perrinis. They have several good aerial stunis.

quick moving, electrifying is "Altas Jimmy Valentine" in which Bert Lytell is cast in the title role. This picture is gripping enough to hold strict attention from the outset.

Tracey and Mohr Tuesday night will conduct a song contest open to every song writer in Menuphis Manager Stainback has announced that Memphians can bring their songs and sing them for Tracey and Mohr who will adjudge a winner. A season pails will be given the winner.

Orpheum.

morrow, but above all it is a ample of play-writing that is story is about a soung giri unable to decide which of two sutters she should accept. She gets possession of the magic glosses, then sees exactive what her life will be with both. With this knowledge she makes the right

this knowledge she makes the right selection.

With a new array of sorius dances sayings and gowns. Else Pricer and Dudley Boughase are again hidding for public approval. And Hendricks and George Stone have a tumorous skill full of fun and song which her call "Come On Home Barthold births are 50 cockstoos and parrors Else Schuler is the definition of originality in song oddities.

The feature photoplay is "Fleadily Jim. It is a fast-moving comedy of American life with a young Angle-American for its montral character. Owen Moore is the shu

least bit ashamed.

About a week and a half ago Handy came hack to his own bailtwick. Beale street. Beale street gave him a welcome but his ovation at the layric felt not a triffe short of the first. Seating capacity exhausted, standing room was at a premium when the first strains of "The Mempius Hues" sounded on the curtain's rise. Even space on the dage was taken before the context.

The new building will be of reinforced concrete throughout, with a front of yery light colored face brief. The highest stories high and will measure 200 feet by the feet. It will be located on almost three access of land, reaching from Foltida axenue to land. Two elevators will be lustailed. It is said that the purchase price of the property was 560 cost, and it is estimated that the hundring will cost one-quarter of a million dollars.

The overs are to be located on the sixth floor, where the products can be packed and shinped down through the other floors. It is thought that bids will be taken on the first of June for construction work. The building will not be ready for occupance until next March, at the earliest.

Ample provisions are being made for employes. The eighth floor will be given over to their comfort containing lockers, showers, a complete gramm sium, recreation and reading grooms and a modern cafeteria. A basebali paris will be provided on the grounds, for getting back of the provided on the grounds. The factory will employ between 500 and 500 people.
